19	Fruits & Vegetables Processing	NCVT	Level 3.5	10 Passed	Science, Maths	1 year	24

LEAVE AND VACATION:

Trainees may be allowed the same holidays as fixed by the State Director for observance by the staff. If a trainee is a stipend holder, he/she would be paid stipend at the full rate during such holidays. With a view to have uniformity in the working of ITIs all over the country, there will be no winter/summer holidays as such but the State Government may close institutes that are in inaccessible/some bound areas for a period not exceeding 15 days in a year. Efforts should be made to complete the loss due to such closure by working extra hours during the year. This closure need not therefore apply to all the ITIs even if they are in the same state.

INSTITUTE UNIFORMS:

All trainees of Institute are to wear uniforms of the following description:-

Boys: Dark grey trousers, Grey check full sleeve shirt, black shoes & socks.

Girls: Grey Check Kamis, Plain Grey Salwar, White Chuni, Black shoes & White socks.

Black sweater for both boys & girls
